Caring for Kids

For more information, call Bonnie Shiller at 314-513-4391.
Caring for Kids Program
St. Louis Community College offers a variety of workshops for those employed in the child care field or for those interested in learning more about working with children.
All clock hour training from St. Louis Community College has been approved by the Department of Health and Senior Services.
Register for the workshops now -- Don’t wait!
For more information, call 314-513-4391.

Attendance Training Policy:
As a quality training program we are required by the DHSS Section for Licensing and Child Care Regulation training to follow specific guidelines for our sessions. Therefore, workshops listed expect participants to arrive on time, be fully present during the session, adhere to break schedules, and attend the entire session. Any participant who does not adhere to these requirements will not receive a certificate or a refund.

To register call 314-984-7777.

Child Care Provider: Heartsaver Pediatric First Aid CPR AED
The Heartsaver Pediatric First Aid CPR AED course is designed to meet the regulatory requirements for child care workers in all fifty United States. It teaches child care providers and others to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. It covers the four steps of first aid and first aid skills such as finding the problem, stopping bleeding, bandaging and using an epinephrine pen, as well as child CPR AED, infant CPR and optional modules in adult CPR AED, infant mask and Asthma Care Training for Child Care Providers. Registration one week prior to course start date is required. No transfers between sessions or refunds given within five business days of class date. Due to the nature of the course you must arrive on time. No admittance after stated start time.

Caring for Kids Program
St. Louis Community College offers a variety of workshops for those employed in the child care field or for those interested in learning more about working with children.
All clock hour training from St. Louis Community College has been approved by the Department of Health and Senior Services.

The following child care clock training hours are available January through May. For more information, call 314-513-4391.

To register call 314-984-7777.
Join us this summer. The Caring for Kids Workshop Program is pleased to offer new seminars featuring special speakers in high quality sessions. These are **one-time-only** offerings.

These programs are brought to you through a special grant provided by the Florissant Valley Family and Consumer Sciences Department and Continuing Education. Funding has been provided by the Missouri Department of Elementary and Secondary education.

**There has never been an opportunity to get so many clock hours at such a low cost.**

Enrollment is limited for these workshops. Registration is based on a first-come, first-serve basis. A boxed lunch is included in the fee.

Workshop check-in begins at 8:30 am. Complete attendance at these seminars is expected in order to receive a certificate and full clock hour credit.

### Math: Beyond 1, 2, 3...
This training features quality state trainers from the Metropolitan Community College Francis Institute in Kansas City, Missouri as a special summer offering. Essential math experiences that are critical for children’s later school success can be a part of your early childhood classroom every day. This workshop will provide experiences and information which identify math content areas and experiences. You will explore strategies and activities to integrate math concepts into classroom experiences. Since enrollment is limited, this workshop is based on a first come, first-served registration.

**CCPR:709 | $20**

**Saturday, June 13**  
9am-2:30pm  
FV - SC, MULTI-PURP  
Check-In is from 8:30-9 am  
**Morning Session - 9 am -12 pm**  
*Working Lunch (provided) - 12 pm - 12:30 pm*  
**Afternoon Session - 12:30 pm - 2:30 pm**

### Icky Sticky Science, Simply Science
This quality training is presented by the St. Louis Science Center as a special summer offering.

**Icky Sticky Science-Morning Topic**: You will follow the steps of the scientific method while making a batch of slime. You will learn how to use fun activities to introduce the scientific method. **Simply Science-Afternoon Topic**: You will get hands-on with various aspects of science including color mixing, electricity, magnets and animal life. You will extend your learning with a related art project to take home. Since enrollment is limited, this workshop is based on a first come, first-served registration.
