Give Yourself Credit
Dual Enrollment and Dual Credit options at St. Louis Community College allow you to take classes for college credit while you are still in high school. Both options offer a great way to get a head start on your college education.

Dual Enrollment
High school juniors and seniors take courses at a St. Louis Community College campus that supplement or are more advanced than their high school’s curriculum. Dual Enrollment students must have a 2.0 or better cumulative grade point average on a 4.0 scale, obtain written permission from a high school administrator and a parent or guardian, and meet with a college admissions representative.

“‘My courses are challenging and my instructors are great, but the best part is, I get treated like a regular college student.’”
Crystal Crawford, Jennings High School

Dual Credit
Students can receive college credit for specific classes taken at high schools for which the school and STLCC have an approved Dual Credit agreement. Students who enroll for Dual Credit must be in their junior or senior year of high school*, have a 3.0 cumulative grade point average on a 4.0 scale and meet the college’s requirements for entry into the course. They must also obtain written permission from a high school administrator and a parent or guardian. Dual Credit students pay approximately one-half of the maintenance fee (tuition) per credit hour and receive both high school and college credit.

“‘It was the best high school decision I made. I ended up with three credit hours that transferred to Mizzou. All my friends wish they had done it.’”
Laura Gieseking, Mizzou/Physical Therapy

Great Opportunities/Great Benefits
• Earn transferable college credit from an accredited institution.
• Reduce the number of college classes you’ll have to take after high school graduation.
• Utilize college resources and services, including the library, computer and academic labs, and tutoring services.
• Participate in college campus activities.
• Gain access to campus facilities.
• SAVE MONEY — earn college credit at STLCC for A LOT LESS than at a four-year university or technical college.

To Apply:
• You must be a junior or senior.*
• You must have a high school GPA of "C" or higher for Dual Enrollment and “B” or higher for Dual Credit.
• Complete the application on the reverse side of this brochure.
• Take the COMPASS assessment or meet applicable requirements for approved dual credit courses.

Testing is waived for students with:
- Math: ACT math score of 23, SAT math score of 580
- Reading-Writing:
  ACT reading score of 18 and English score of 18, or
  SAT critical reading score of 500
• Submit a copy of your high school transcript.
