

# North County CARES

## COMMUNITY RESOURCE GUIDE

---

## INTRODUCTION

This resource guide of community services is intended to give an overview and contact information for a number of service providers and support agencies that serve individuals in North St. Louis County.

For easy reference, the booklet is divided into 13 provider categories:

- Advocacy
- Children and Youth Services
- Education
- Food Pantry Services
- Government Offices
- Health and Human Services
- Housing
- Mental Health Treatment
- Regional Coordination
- Senior Services
- Training and Employment
- Transportation
- General Information

This is not a comprehensive guide. Agencies frequently begin services, change scope of work, and discontinue services. Use this booklet as a guide to help you identify providers that might be able to assist you or a client.

Forward updates and additional community resources to Marsha Bonds at:

St. Louis Community College at Florissant Valley  
3400 Pershall Road  
St. Louis, MO 63135

*The St. Louis Job Corps offers an excellent academic training program that allows Student Employees an opportunity to obtain a High School Diploma or GED at the same time they are working on their vocational skills certification. In addition to getting a high school diploma or GED, the Academics staff works very closely with students on social and employability skills training such as dressing appropriately for the work place, being on time, and using your time on the job productively. The St. Louis Job Corps offers classes that allow students to "apply" the specific skills they will use in the vocational skill field for which they are training.*
