Service Building	Robert Stewart C.E.R.T. Anne Oestreich C.E.R.T.		

- Safety Coordinator for assigned Building.
- Coordinate the scheduling of Building Safety Meetings
- Coordinate the scheduling of Building Safety Training Sessions
- Attend Monthly Florissant Valley **Safety Committee** Meeting
 - Meetings are held on the second Tuesday of the Month, 1:30p.m to 2:30pm.
Training Center
- Coordinate the emergency evacuation of assigned building.
- Coordinate the movement of persons to safe areas in assigned building.
- Coordinate the movement of persons to assembly areas during fire drills.

History

In December of 2006, the Florissant Valley Institutional Affairs Council appointed a Safety Issues Committee with the charge to **organize and present a plan for building by building safety awareness training, and the dissemination of safety related information.**

In May 2007, the Florissant Valley Institutional Affairs Council forwarded their recommendations to the Campus President, Marcia Pfeiffer.

The recommendations were as follows:

- Establish a Building Safety Committee
- Appoint a Building Safety Coordinator
- Schedule Building Safety Meetings
- Schedule Building Safety Informational Sessions

President Pfeiffer approved the recommendation and asked the Florissant Valley Cabinet to appoint Building Safety Coordinators, who will work through the Florissant Valley **Safety Committee** to facilitate Building Safety Training.

The Campus Safety Committee exists to assist the Florissant Valley College Community in meeting its safety responsibilities for the welfare of employees, students, and the public. The Safety committee operates in an advisory capacity only.

George Kroder, Risk Management Office – CC, at the request of the Board of Trustees, was directed to coordinate an effort to institute a **Community Emergency Response Team (C.E.R.T.)** on the St. Louis Community College Campuses.

On July 10, 2007, George Kroder and Chief Robert Stewart, College Police Chief – FV/Safety Committee Chair, met with Ferguson Police Detective/CERT Instructor, Mike Doedli to discuss training a CERT team for the Florissant Valley campus.

George Kroder suggested that the members of the FV Safety Committee would be ideal candidates for C.E.R.T. training. Chief Stewart invited Officer Doedli to appear at the September 11, 2007 Safety Committee meeting to explain the CERT program and to solicit volunteers.

Volunteers signed up and subsequently completed the training which consisted of the following schedule.

9/14/07	Class #1 Disaster Preparedness	2 Hrs
9/21/07	Class #2 Disaster Fire Suppression & Field Search	4 Hrs
9/28/07	Class #3 Medical #1	2 Hrs.
10/05/07	Class #4 Medical #2	2 Hrs.
10/12/07	Class #5 Terrorism Awareness	2 Hrs.
10/19/07	Class #6 Search & Rescue and Fire Suppression	4 Hrs.
10/26/07	Class #7 Disaster Psychology	2 Hrs
11/2/07	Final Review, final exercise	4 Hrs.
