Your 2013-2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

List below the people in the student’s household. Include:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children, if the student or spouse will provide more than half of their support from July 1, 2013, through June 30, 2014, even if the children do not live with the student.
- Other people, if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2014.

For any household member who will be enrolled at least half-time in a degree, diploma or certificate program at an eligible postsecondary educational institution any time between July 1, 2013, and June 30, 2014, include the name of the college.

If more space is needed, provide a separate page with the student’s name and ID number at the top.

1. **TAX RETURN FILERS—Important Note:** The instructions below apply to the student and spouse, if the student is married. Notify the Financial Aid office if the student or spouse filed separate IRS income tax returns for 2012 or had a change in marital status after the end of the 2012 tax year on December 31, 2012.

**Instructions:** Complete this section if the student and spouse filed or will file a 2012 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [FAFSA.gov](http://www.fafsa.gov). In most cases, no further documentation is needed to verify 2012 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Students should not use the IRS DRT if it has not been 2-3 weeks after the 2012 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2012 paper IRS income tax returns, the 2012 IRS income tax return information is available for the IRS DRT within 8-11 weeks after the 2012 paper IRS income tax return has been received by the IRS.

**Check the box that applies:**

- [ ] The student has used the IRS DRT in FAFSA on the Web to transfer 2012 IRS income tax return information into the student's FAFSA.
- [ ] The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2012 IRS income tax return information into the student's FAFSA once the 2012 IRS income tax return has been filed.
- [ ] The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a **2012 IRS Tax Return Transcript(s)** (signature not required).

To obtain a 2012 IRS Tax Return Transcript, go to [www.IRS.gov](http://www.irs.gov) and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946.

If the student and spouse filed separate 2012 IRS income tax returns, **2012 IRS Tax Return Transcripts** must be provided for both.

- [ ] Check here if a **2012 IRS Tax Return Transcript(s)** is provided.
- [ ] Check here if a **2012 IRS Tax Return Transcript(s)** will be provided later.
2. **NONTAX FILERS**—The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and spouse will not file and are not required to file a 2012 income tax return with the IRS.

**Check the box that applies:**

- ☐ The student and spouse were not employed and had no income earned from work in 2012.
- ☐ The student and/or spouse were employed in 2012 and have listed below the names of all employers, the amount earned from each employer in 2012 and whether an IRS W-2 form is provided. (Provide copies of all 2012 IRS W-2 forms issued to the student and spouse by their employers.) List every employer even if the employer did not issue an IRS W-2 form.

*If more space is needed, provide a separate page with the student’s name and ID number at the top.*
