

# **U** SHOW-ME **CARE**

*Building Joplin's future...  
campus by campus*

*Homes destroyed ... lives lost ... schools in shambles ... the landscape scarred.  
That was Joplin after a massive tornado tore through the town on May 22, 2011.  
Most relief agencies are gone now, but the need continues.  
Be part of the effort to rebuild Joplin.*

**Volunteers are needed to plant trees, make minor repairs, help families move, clean up small debris, and sort and distribute donated items.**

**Join the Show-Me U Care campaign to send Missouri college students, faculty and staff to Joplin throughout the fall to build Joplin's future ... campus by campus.**
