Dental Resources

Cass Avenue Dental Group
Cass Avenue Dental Group accepts Medicaid. Prospective patients should call to set up an appointment, and the dentist will see the patient and give an estimate of costs of services.
6310 Cass Ave  ●  St. Louis, MO 63113  ●  314-531-5000

Community Health in Partnership Services
Community Health provides outpatient dental services (cleanings, fillings or extractions). Services are free to patients who have no other source of dental care. They provide referrals for more intensive procedures. Call to make an appointment and for fees.
2431 N Grand Blvd  ●  St. Louis, MO 63106  ●  314-652-9231

Grace Hill Settlement House
Grace Hill provides dentures, endodontics and general dentistry services to City residents. They accept Medicaid and Medicare along with some private insurance plans. Sliding scale fees apply to some patients. Patients must call for an appointment and present photo ID and proof of income to be eligible for sliding scale fees.

SIU East St. Louis Dental
The SIU East Dental Clinic offers basic dental services, excluding root canals. They are only accepting children ages 2-12. Services are typically 1/3-1/2 of regular private practice dentistry. They also accept Medicaid.
601 James R. Thompson Blvd, Building D  ●  East St. Louis, IL 62201  ●  618-482-6980

SIU School of Dental Medicine
The SIU School of Dental Medicine provides comprehensive dental services. Their waiting list is lengthy, but certain patients are can make emergency appointments. Services are typically 1/3-1/2 of regular private practice dentistry. Payment is due at time of treatment, though more costly procedures (dentures and crowns) can be paid on a 50-50 basis (50% due when the procedure is started and the other 50% paid prior to final processing in the laboratory). Patients must go through an initial screening appointment; if accepted for treatment, they will then have a treatment planning appointment.
2800 College Ave  ●  Alton, IL 62002  ●  618-474-7000
SLU Periodontic / Endodontic Clinic
SLU Periodontic / Endodontic Clinic offers periodontic, endodontic and orthodontic work only. They do not accept Medicaid or Medicare, but they do accept most insurance plans. Payment is due at time of service, and fees are generally 50-60% less than private practice services. Patients must have a referral from a dentist or physician for periodontic and endodontic work. Prospective orthodontic patients will do a screening visit.

3320 Rutger St ● St. Louis, MO 63104 ● 977-8363 (schedule an appointment)

St. Louis Community College Dental Hygiene Clinic
St. Louis Community College Dental Hygiene Clinic provides general dentistry services. St. Louis Community College faculty, staff and students receive a 50% discount. Discounts are available for Medicare recipients, and Medicaid card holders are free. Other patients pay a nominal fee. The Clinic is closed for semester breaks.

Forest Park Campus-5600 Oakland Ave A419 ● St. Louis, MO 63110 ● 644-9331

St. Louis County Health Department
The St. Louis County Health Department offers general dentistry services to St. Louis County residents. Services are provided on a sliding scale basis. Medicaid is accepted. There is a waiting list for services, though transportation is available.
