Missouri HealthNet (Medicaid) Programs

The purpose of the MO HealthNet program is to provide medical services to qualified individuals with the goal of promoting good health, preventing illness and premature death, correcting or limiting disability, treating illness and providing rehabilitation to persons with disabilities.

The Family Support Division determines eligibility for MO HealthNet programs which include:

**MO HealthNet for Families**

Eligible families, children and their parent(s), receive comprehensive healthcare coverage including preventative care, hospital care, dental and vision care as well as prescription coverage. (*Coverage is limited for individuals over 21 years of age.) Eligible families are those children under age 19 and their parents or caretakers, with whom they live and:

- Who apply for a social security number,
- Who live in Missouri and intend to remain,
- Who are U.S. citizens or eligible legal immigrants,
- Parents must cooperate with Child Support Enforcement (CSE) in the pursuit of medical support, and
- Whose countable family income does not exceed the July 16, 1996 AFDC income standards.

**MO HealthNet for Kids**

Eligible children receive full, comprehensive coverage* including primary, acute and preventative care, hospital care, dental and vision care* as well as prescription coverage. (*Some coverage may be limited based on income level.) Eligible children include those who:

- Are under 19 years of age,
- Have applied for a social security number,
- Who live in Missouri and intend to remain,
- Who is a U.S. citizen or an eligible qualified non-citizen,
- Parents must cooperate with Child Support Enforcement in the pursuit of medical support, and
- Whose countable family income meets the income guidelines
  - Income limits vary, depending on the level of care. The highest income allowable income limit is 300% of the current federal poverty level (some families may have to pay a premium each month, dependent upon their income level):**

**MO HealthNet for Pregnant Women and Newborns**

Provides pregnancy-related healthcare coverage, including postpartum care, for women and comprehensive coverage for children born to a woman eligible for and receiving MO HealthNet benefits throughout their first year of life as long as the child remains in the mother’s home and maintains Missouri residence. Eligible women include those who:
