## Why does the Corporate College win the comparison test?

Because, not only do we have over 18,000 square feet of state-of-the-art space available but it also comes with **all-inclusive pricing with no hidden fees**. That's right. Unlike our competition, we do not have hidden extra charges for services. We do not charge you a room rate and then start adding on a long list of additional fees. Our standard daily rate includes standard room set-up as well as audio-visual equipment and support. It is a "super-sized" value added feature that beats out our competition time and time again when our customers do the traditional side by side comparison. The Corporate College's best in class experience provides corporate St. Louis a "home away from home" for their business event needs.
