

# Start late. Finish on time.

Late start classes allow you to adjust your individual course load and still stay on track to meet your educational goals.

Classes begin throughout the semester. Students may register for a class up to the close of business the day before a class begins.

For more information  
or to register call 636-422-2000  
or visit [www.stlcc.edu](http://www.stlcc.edu)
