St. Louis C.C. Meramec Volleyball, Basketball Squads Win Sportsmanship Honors

A pair of St. Louis Community College - Meramec teams have been recognized with conference awards for their good sportsmanship. The volleyball team, under ninth year coach **Lee Clauss, Jr.**, and the men's basketball team, under thirtieth year coach **Randy Albrecht**, have both received the honor.

The award is presented to one team in each sport by the MCCAC (Midwest Community College Athletic Conference) in recognition of outstanding sportsmanship by players, coaches, and fans.

Good sportsmanship has long been a point of emphasis at Meramec under Manager of Athletics **Bob Bottger**.
