4 STLCC-Meramec Athletes Earn Academic All-American Honors

Distinguishing themselves in the classroom and on the field, four STLCC-Meramec student/athletes have been honored with Academic All-American status by the NJCAA.

Bill Brandenburg (Kirkwood), a basketball standout, was also a second team All-American for his outstanding play at center and leading the Magic to a 21-11 record. **Nikki Torno** (Oakville), a middle hitter for the volleyball squad, also earned the prestigious status.

Ryan Sutton (Oakville), a heavyweight on the wrestling team, and **Jake Morgan** (Mehlville), a standout baseball pitcher, round out the four honorees. Torno, Brandenburg, and Sutton all had perfect 4.00 GPA's for the spring semester.
