

Soccer Squads Battle For Top Post-Season Seeds In Rescheduled Matches

Perhaps the fourth time will be the charm for both the STLCC-Meramec men's and women's soccer teams as they try to finally defeat both the recent inclement weather and Kansas City area foe Maple Woods. The teams will play rescheduled matches on Thursday (Oct. 22) with the men's team playing at 2:00 and the women's squad at 4:00. The matches have been postponed on three previous dates due to weather.

At stake in each contest will be the top seed in the Region XVI Tournament that begins next week. The men's team enters Thursday's action at 12-3-1 overall and 5-0-1 in regional games. Maple Woods is 10-2-1 on the season and 4-1 in regional matches.

The Magic women's team is 6-5 overall and 3-0 in regional contests. Maple Woods is 11-1-1 on the year and 2-1 in Region XVI games. Therefore, Thursday's winner takes the top seed.

Both Meramec's men's and women's teams are virtually identical in scoring - each team's top scorer is a sophomore captain forward with nine goals each. **Almin Sabotic** (Mehlville) leads the men while **Casey Caldwell** (Lindbergh) leads the women's squad.
