

Soccer Signees To Boost Men's Squad In Bid For Crown

A large contingent of talented signees hope to be the difference to boost the STLCC-Meramec men's soccer team in their quest for their first Region XVI championship since 2000. Also, several key returning players will form the foundation for the '09 Magic.

Back in goal will be **Chris Eason** (Lindbergh), who played well as a freshman. Backing him up as a defender will be sophomore **Justin Billmeyer** (Columbia, IL) Other returning players include last year's lead scorer in **Almin Sabotic** (Mehlville) who tallied a team high 13 goals. He'll be eying the team record of 29 goals over two years held jointly by **Senad Hot** (2000-'01) and **Mike Beck** (1971-'72). Returning up top with Sabotic is **Steve McMahon** (Lafayette) who showed scoring punch as a freshman. **Austin Killian** (Lindbergh) also will return as a speedy midfielder.

Plenty of help has been signed in several key areas. Scoring punch will be heavily looked to from **Clint Carder**, a forward from DeSoto High. Carder scored an astonishing 35 goals and added 20 assists for DeSoto last fall - his 90 points made him the scoring leader for all St. Louis area high school teams. Between Carder and Sabotic, the Magic hope to solve its scoring woes of the past few seasons.

Lindbergh High, long a recruiting pipeline for the Magic, will see several graduates don the green and white Magic uniform this fall. **Jimmy Benoist** enters as a back/defender. Another Flyer back in the Meramec fold is **Corey Spitznagel**. They'll re-join former Flyer teammates Killian and Eason. Also signing from Lindbergh is goalie **Mihailo Pantelic**. He pitched seven solo shutouts for the Flyers while compiling a 1.40 goals against average over a span of nearly 1,500 minutes in the nets.

Another longtime successful pipeline, St. Mary's High, sends a pair of kickers in **David Humphrey** and **Joe Reidel**. Benoist is a back while Reidel is a midfielder. And, from Marquette High back **Brandon Floodman** enters. Emerging program Kirkwood High sends **Jake Macker**, a midfielder, to the Magic.

Marc Bowron, a tall and talented midfielder, transfers in after a year at Belhaven University in Mississippi. Bowron is a native of Aberdeen, Scotland and brings his country's hard-nosed style of play.
