1. Open your browser (Internet Explorer or Firefox) and type http://www.stlcc.edu in the address bar, then, click on the MY STLCC button in the upper right corner of the web page.

2. Click on the Get your MySTLCC ID button.

3. Click on the What is MySTLCC ID? button. Or you can click on the first link in the ABC list, Access Your MySTLCC ID.

4. Type the following information:
   - STLCC ID A-number (this is printed on your STLCC OneCard)
   - Last Name
   - Birth Date.

   Click Submit.
Your MySTLCC ID and default “A” number password information will be displayed. Write down this information or print the screen. You will need it to change your password.

What is My MySTLCC ID?

Congratulations!
Your MySTLCC ID: 
jsmith12

Be sure to write down your MySTLCC ID because you will need it to complete the password reset and answer your security questions.

Students - Your Initial Password:
Your "A" number plus a # sign at the end, i.e., A_________

Your Student E-mail Address:
jsmith12@my.stlcc.edu

Be smart! Change your password. Your next step is to create your MySTLCC ID password.
