

Recommended Academic Plan for Cisco Networking Academy: CCNA

Certificate
of
Specialization

This plan is a suggested semester-by-semester plan. It is designed to keep you on track for a timely graduation. This plan is not a substitute for academic advising. Contact an advisor for further information regarding placement based on ACT/SAT or COMPASS exam scores, scheduling, degree requirements, and graduation requirements.

Note: Successful students entering an IS/IT Program have strong basic computer literacy skills. Our programs are rigorous and fast-paced. Students are expected to be able to **competently** use a computer from day one. Although it is not a requirement, the department highly recommends students who need basic computer literacy take IS:116 Computer Literacy (3 credits) prior to beginning any of our programs.

Semester 1				
Course	Credits	Prerequisite	Milestone/Notes	Completed
IT:101 Cisco Networking Academy I - Introduction to Networks	5	Basic Computer Literacy Expected and Reading Proficiency. Recommended Prerequisite: IS:130 and IT:102 or A+ Certification	1 st 8 weeks OFFERED FALL, SPRING, SUMMER
