Books, materials or special equipment required for classes are at the expense of the student.

### Who Qualifies as a District Resident?

You are a district resident if you live in:
- St. Louis City or County.
- Portions of Franklin and Jefferson counties which are part of the Meramec Valley R-3 and Rockwood School districts.

Proof of residency must be provided prior to the start of the term for which you are enrolled. See more information on residency at [stlcc.edu/fees](http://stlcc.edu/fees).

### Returned Check Fee

If a check is returned for insufficient funds, a $25 fee will be assessed along with the original balance. A financial hold will be placed against your record, and you may be dropped from class until this debt has been cleared.

### Are Fees Reduced for Senior Citizens?

Persons 60 years or older who are residents of the St. Louis Community College district may enroll in most credit courses at a 50-percent reduction in the usual fees. Reduction must be applied for at time of registration.

### Midwest Student Exchange Program

Beginning with the Summer 2017 session, St. Louis Community College has partnered with the Midwest Student Exchange Program (MSEP) to offer Illinois, Indiana, Kansas, Michigan, Minnesota, Nebraska, North Dakota, and Wisconsin residents in-state (Other Missouri Resident) tuition rates.

Your residency will automatically qualify you for in-state (Other Missouri Resident) tuition if you live in Illinois, Indiana, Kansas, Michigan, Minnesota, Nebraska, North Dakota, or Wisconsin. For more information, visit [stlcc.edu/msep](http://stlcc.edu/msep).

### Missouri Senior Scholarship

Missouri senior citizens 65 years and older may audit credit courses on a space-available basis under these guidelines:
- Must pay a $15 non-refundable registration fee.
- Must pay all other costs, such as materials, books and supplies.
- Request to enroll for an audit grade (no credit) must be done in person at an Enrollment Services Office.
- May not receive a refund for a paid course in order to enroll for a free space in the same course.
- Registration begins the Friday before classes begin.
- Must present proof of age and residency.
Financial Aid and Paying for College

Apply Early For Financial Aid

Financial Aid Process
Need help paying for college? If so, you are encouraged to complete the Free Application for Student Financial Aid (FAFSA) as soon as possible after October 1 using your previous year’s tax information. You must be admitted to STLCC with degree-seeking status to receive financial aid. This includes submitting transcripts from high school, GED, and/or all colleges previously attended, and completing placement test requirements. Submit official college transcripts to the Registrar’s Office.

After completing your FAFSA, check the status of your financial aid application at stlcc.edu/selfservice

Information about financial aid, scholarships, federal grants, loans, work study and Missouri state programs is available at stlcc.edu/financialaid

FAFSA

You Can Afford College
It all starts with the FAFSA.
stlcc.edu/financialaid

The FAFSA—the Free Application for Federal Student Aid—is the application to determine eligibility for federal, state and college-sponsored financial aid, including grants, educational loans and work-study programs. You can fill out the FAFSA on the web at fafsa.gov or request a paper application by calling 1-800-4-FED-AID (1-800-433-3243). When filling out the FAFSA, use the St. Louis Community College school code 002469.

Financial Aid Priority Deadlines
April 1
⇒ FAFSA filing date for state grant programs and campus-based aid.
⇒ Board of Trustees Scholarship application priority deadline for summer session and fall semester

April 28
⇒ All financial aid paperwork must be complete to guarantee disbursement of funds by the first day of summer session.

July 28
⇒ All financial aid paperwork must be complete to guarantee disbursement of funds by the first day of fall semester.

November 1
⇒ STLCC’s priority completion of FAFSA for spring semester.
⇒ Board of Trustees Scholarship application priority deadline for spring.

December 8
⇒ All financial aid paperwork must be complete to guarantee disbursement of funds by the first day of spring semester.

Financial Aid Disbursement
If you are eligible for a Federal Pell Grant or Direct Student Loan refund, you will be issued an STLCC Book Account. Once your financial aid award is complete, a book account will be authorized and a notification will be sent to your my.stlcc.edu student e-mail account. (Be sure it is activated.) The authorized amount for books will appear in your Banner Self-Service personal account after Aug. 7 for fall 2017 semester, and Jan. 2 for spring 2018 semester.

If you are eligible for financial aid, your final award will be based on the number of fundable hours in which you are registered at the end of the third week of the semester. Aid will be applied to your account based on the number of classes you have been reported attending. If you are not reported attending all of your registered classes, then your financial aid award will be adjusted accordingly. You will owe for classes that you have not attended and failed to withdraw from in a timely manner.

If you are attending classes with various start dates, the first disbursement will be made based on the earliest date of documented attendance. Loans will not be released until you have been reported as attending at least six hours.

Academic Advising and Counseling

Academic Advising
You are encouraged to meet with an academic advisor while enrolled at STLCC. Academic advisors can help you with academic planning, course selection, degree requirements, schedule planning, academic policies and transfer information.

The following students are required to see an academic advisor:

• New, first-time college students and recent high school graduates must see an Advisor at a New Student Registration Workshop (NSRW) to register for their first semester classes. Sign up for NSRW at stlcc.edu/nsrw

• Students enrolled at four-year institutions who take summer courses at STLCC are not required to see an advisor.

• Students receiving financial aid.

• Students applying to a selective-admissions program.

• Students who do not have the appropriate prerequisite for a specific course. If you completed a course prerequisite at another college, you must provide proof in the form of a transcript, grade report, test score report, current schedule or other appropriate documentation. (For a definition of prerequisite, see page 9.)

For more information, visit stlcc.edu/advising

Counseling
A staff of well-qualified counselors can assist you in planning your college career as well as dealing with problems that may come up while attending school. Counselors are available by appointment or as needed for a crisis situation. All services are free to STLCC students.

Students on restricted probation are required to see a counselor.*

Counselors can help you:

• Make decisions about educational and career goals.

• Balance the roles of student, parent, spouse and/or employee.

• Manage stress and test anxieties.

• Resolve personal problems or issues that may be getting in the way of college success.

*Standards of Satisfactory Academic Progress: All students are expected to make satisfactory academic progress. Students with a cumulative grade-point average below 2.0 will be placed on academic probation.

It never hurts to get a little advice. Visit an advisor for help with your college career.

Whether you’re planning to earn an associate degree, transfer to another college, train for a new career or just take a few classes, STLCC’s advisors can help you make realistic and well-informed decisions to choose the next steps in your educational life.

Advisors will assist you with:

Take a Placement Test

Assessment Test Purpose
STLCC uses a computerized placement test to help identify your academic strengths and needs in mathematics, reading and writing. The results determine the courses you will be permitted to take.

Assessment May Be Waived
All or part of the placement test may be waived if you can provide academic credentials or written documentation for one of the following:
• A college degree from an accredited institution
• A college transcript or grade report with a grade of C or higher in reading, writing or mathematics course prerequisites
• An appropriate ACT score earned within the last three years:
  – A reading score of 18 or above to waive the reading test
  – A writing score of 18 or above to waive the writing test
  – A math score of 22 or above to waive the math test
• An appropriate SAT score earned within the last three years:
  – A critical reading score of 500 or above to waive the reading and writing tests
  – A math score of 580 or above to waive the math test

Get Prepared
Test preparation gives you an opportunity to become comfortable with the online placement test's content, format and mode of delivery. With preparation, you may benefit from higher course placement and avoid taking unnecessary courses. Accurate assessment is particularly important if you receive financial aid and have limited funds. You may access practice test items at stlcc.edu/placementprep

How much time should I plan to take the placement test?
The test is not timed, but you’ll need about two hours to complete the placement test. Here’s a success tip: you can take the test in sections. You don’t have to take it all at once – giving you even more time to prepare and do your best. Bring your photo ID and your student ID “A” number.

Can I retake all or part of the test?
A $10 fee is charged for test retake sessions. See stlcc.edu/placementprep. Your math scores remain valid up to three years. Reading and writing scores do not expire.

Disability Accommodations
This test is untimed. However, if you need additional accommodations due to a disability, contact the Access Office at stlcc.edu/disability prior to testing. You may be asked to provide documentation of your disability. For more information see page 13, or call the Access Office at the campus of your choice (see pages 18-19).

MyList allows you to place classes in a shopping cart while searching the class schedule. You can print your MyList to use as a reference when you register.
Note: MyList only lists the classes you have selected—it does not register you for these classes.

Credit-Hour Limit
Students may take a maximum of 18 hours in the fall and spring semesters, and 12 hours in the summer. Permission may be granted for an overload by a Department Chair of Counseling or Manager of Academic Advising.

What is a Prerequisite?
A prerequisite is a requirement or other condition that must be met prior to entering a course. It is the responsibility of the student to make sure all course prerequisites are met before registering.

What is a Corequisite?
A corequisite is a requirement to take two courses at the same time, and therefore you must also register for the corequisite course.
You can find the prerequisites and/or corequisites for a class by clicking on the course title while using the online schedule or in the online catalog at catalog.stlcc.edu
If you need more information, contact the Academic Advising Office (see page 6).
Making Changes to Your Schedule

You may drop, add or substitute classes during the published registration dates. If you add a class after the payment deadline, you should make payment arrangements the day the change is made. You are responsible for fees incurred for adding a class after the payment deadline.

To formally withdraw from a class, you must submit an **Add/Drop/Withdrawal Form**. If you are taking online classes only, contact the Enrollment Services Office.

“W” grades will be recorded for all course withdrawals submitted after the 100 percent refund period established by the college, but the withdrawal process must be completed prior to the end of the college’s 12th week of classes. Classes less than a full semester in length will have different deadlines. Refer to the adjacent deadline chart.

**Auditing Courses**

Auditing a class means you will not earn a grade or college credit for the class. Students auditing a class are subject to the same fees and requirements as regular class members.

You may change from audit to credit status or credit to audit status only during the refund period (see page 12).

If you register online, you must switch from credit to audit in person at the Enrollment Services Office during the same refund period.

As a STLCC student, you are responsible for paying all college fees to ensure that your classes are not dropped. Your registration is not complete until payment arrangement is made.

If you complete your financial aid file after the deadline, you must make payment arrangements by the payment deadline to ensure that classes are not dropped. You can enroll in the NBS Payment Plan at stlcc.edu/selfservice

If you register for a class and decide not to attend, you must officially withdraw from the class within the refund deadlines. Otherwise, you may be responsible for a portion of the course fees. If you have questions about withdrawing from a class, contact Enrollment Services (see pages 18 and 19).

If you have an outstanding balance due for maintenance fees, you will not be able to register for future classes or obtain a transcript or diploma.

Drop for Nonpayment
You will be dropped from your courses unless a payment arrangement is made by the payment due date or you have enrolled in the payment plan. Check with a campus Cashier’s Office concerning fee payment.

You don’t have to pay all your tuition up front.
Check Out STLCC’s Automatic Payment Plan.
The NBS Payment Plan is not a loan program – it’s a service that automatically deducts your tuition from your bank account or credit card.

Federal Financial Aid (Title IV) Recipients
Title IV of the Federal Higher Education Act (HEA) requires that students who receive federal grants (Federal Pell Grant, Federal Supplemental Educational Opportunity Grant) and federal loans repay some of their federal financial aid if they do not attend class through 60 percent of the term. Most students who do not attend at least one class through the 60 percent point of the term will owe some of their Title IV aid back to the U.S. Department of Education. Visit stlcc.edu/financialaid to learn more about the return of unearned Title IV funds as required by HEA Title IV law and regulations.

Medical/Job-Related Withdrawals
If you withdraw from all classes for medical or job-related reasons during the affected semester, you may receive a prorated refund when acceptable evidence of the necessity to withdraw (verified by your physician/employer) is presented. An instruction sheet detailing the procedure is available from the Enrollment Services Office.

Active Duty Military Service
A refund for classes in progress will be issued to students forced to withdraw as a result of being called to active duty military service.

It is the responsibility of the student to complete withdrawal procedures and submit a copy of military orders during the affected semester.

For more information on withdrawals and the college's policy concerning veterans, visit stlcc.edu/veterans

Access Office – disAbility Support Services
Support services for students with documented disabilities are available through campus Access offices. These services include: advising and academic counseling, coordination of academic accommodations and support services, consultation with faculty and staff regarding accommodation needs as well as help with connecting to community professionals and agencies.

To qualify for services complete the online Application for Services and contact the Access Office on the campus where you plan to attend. Applications are accepted at any time during the semester, but the College recommends submitting requests as early as possible to allow time to make any necessary arrangements in time for the start of classes. Accommodations are generally not provided retroactively so it is important for you to apply for accommodations and provide documentation that supports your requested accommodations as soon as you can. For more information, visit stlcc.edu/disability or call the Access Office on your campus (see pages 18 and 19).

Athletics
STLCC is committed to providing quality, competitive athletic opportunities to enhance your educational experience. The STLCC Archers compete in the National Junior College Athletic Association and the Midwest Community College Athletic Conference. Student athletes have the opportunity to play the following sports: men’s baseball, men’s basketball, men’s soccer, women’s basketball, women’s soccer and women’s volleyball. Any student who attends STLCC and meets the eligibility requirements may compete on these teams, regardless of which campus the student attends. To learn more about the STLCC Archers, visit stlcc.edu/athletics

Attendance
You are expected to attend classes. Excessive absences, as determined by the instructor, may result in a failing grade for any course.

Campus Life
St. Louis Community College offers many opportunities to develop and expand your interests outside of the classroom; from service learning and leadership development, to civic engagement activities, community service projects, clubs/organizations and more. You are encouraged to participate in activities and student organizations at STLCC. Stop by the Campus Life Office to learn more about these opportunities on your campus, or visit stlcc.edu/campuslife
You can also visit calendar.stlcc.edu for a listing of campus events scheduled across the college.

Campus Police
The primary purpose of the Campus Police department is to create a secure and safe environment for the college community through the protection of persons and property, and the preservation of peace and order on the campus. Campus police are able to assist you with your vehicle-related issues such as lockouts and jump-starts, as well as provide safety escorts to your vehicle upon request. There is an emergency network of both external and internal phones on all campuses to provide instantaneous, 24-hour availability for communication with department personnel. Campus police have immediate access to local police agencies to either report a crime or request assistance. In addition to use of the phone systems, you can also contact campus police in person or in writing. Regardless of how an incident is reported, Campus Police will conduct an investigation. A copy of the College Crime Report (Clery Act Report) is available online at stlcc.edu/need2know
Current STLCC campus policies regarding procedures and facilities for students and others to report criminal actions or other emergencies occurring on campus also are available.

Career and Employment Services
The Career and Employment Services (CES) Office on each campus provides services and resources to assist students and alumni in finding full-time or part-time, on-campus or off-campus, internship or co-op, permanent, seasonal or temporary employment. CES also assists employers who are looking for qualified applicants. Some of the resources provided by qualified staff include: career assessments, workshops on resumes and career planning, job search assistance, career research assistance, career and job fairs, and Career Network (an online job search service). For more information, visit stlcc.edu/ces

Clinical and Field Work
Some degree and certificate programs require you to obtain clinical or other field experience as part of your coursework. Students with criminal convictions or drug use may have difficulty progressing in these programs. Healthcare facilities, educational facilities and other field experience settings may mandate that a criminal background check and/or drug screening check (at your expense) be conducted prior to placement in a clinical or field setting. Not passing these checks may prohibit you from participating in the clinical or field experience, thus rendering you ineligible to satisfactorily meet the course/program requirements. Contact an academic advisor or the program chair/coordinator for more information.
Confidentiality of Student Records
St. Louis Community College has a duty to maintain accurate and confidential student records. The college recognizes your rights to have access to your own educational records; moreover, the college limits such access by others in accordance with the Family Educational Rights and Privacy Act of 1974. You may review your official educational records by submitting a written request to the Enrollment Services Office (see pages 18 and 19). If you wish to question the accuracy or appropriateness of your records, contact the Enrollment Services Office. With certain exceptions, records cannot be released without prior consent. If you do not want directory information released, you may complete the Request to Prevent Disclosure of Directory Information through Banner Self-Service. For more information, visit stlcc.edu/need2know

You should meet with an academic advisor or counselor to review the graduation requirements for the desired degree or certificate. When the Graduation Application has been completed and signed by you and an academic advisor or counselor, you must return the application to the Enrollment Services Office. If you have been a victim or witness behavior of this kind, please report it immediately online or by contacting the Title IX Investigator on your campus. Campus Police are available to intervene if there are threats to individual or community safety. Making the decision to report an incident of sexual misconduct is often very difficult, but can be the first step in the healing process and also allows the college to provide support and prevent future occurrences. To learn more, visit stlcc.edu/titleix

Peer and/or professional tutoring is available on all four campuses for various subjects. The Writing Centers on each campus also have fully-trained staff members available to critique papers, offer grammar assistance, assist with research and answer questions.
