18. COMMUNICATIONS

18.1 Chancellor's Report

Dr. Pittman introduced new Leadership Team members Dr. Michael Dreith, Provost, Wildwood; Dr. Elizabeth Perkins Provost, Florissant Valley; Mr. Larry Johnson, Provost, Forest Park, and Ms. Carol Lupardus, Provost, and welcomed them to the College.

Dr. Pittman advised the Board that a Cybersecurity Program was approved at the June CBHE meeting. He added that program faculty and administrators Angelic Cole, Brenda Kahan, and Craig Chott have met with MasterCard and the National Geospatial Agency to discuss how the new program can align with employer needs.

Dr. Pittman said that earlier in the summer, he and Dr. Andrew Langrehr met with several faculty at Wildwood to discuss potential new programs at the Wildwood Campus. Several ideas for programs were presented, and the Office of Institutional Research examined relevant workforce data and other demographic information to consider which of the programs suggested might be a good fit for the West County area and the Wildwood campus. He added that several programs are being considered and the college will be conducting similar exercises at the South County Education and Harrison Education Centers.

Dr. Pittman reported on the Archways to Opportunities press conference at the McDonalds in Ferguson. He said the event was a huge success and it was a great public relations opportunity for the College. He thanked Kedra Tolson and Lurna Godwin for their hard work.

Dr. Pittman said the recent open houses at the campuses have been a huge success, serving over 700 students. He said this indicates that the college needs to be open on Saturday during busy registration and dates have already been set for December 3rd and January 7th.

Dr. Pittman reported on the success of the opening day programs and congratulated Cindy Campbell on her Underwood Award and lecture.

18.2 Board Chair's Report

Board Chair McGivney gave the following report:

The July Board meeting may have been cancelled, but the Board of Trustees have been very busy. On July 7th, the Board held a work session where we were presented with information and data illustrating enrollment changes being experienced by Community Colleges nationally.

We were also briefed on preparations for the 2018 Higher Education Commission accreditation visit, Strategic Planning, and goal setting for 2017.

On July 12, 2016, the Board interviewed candidates for the Sub district 1 vacancy. The Board is pleased to welcome Trustee Derek Novel back to the Board of Trustees.

Dr. Graham, Dr. Pittman and I attended the annual Coordinating Board for Higher Education Governing Board Forum in Columbia Missouri. Among topics discussed were student completion, campus climate, campus safety and free speech. Dr. Pittman served as a panelist and presented during the forum.

During one of the presentations, we learned that the United States is now 12th in the world of developed nations in college or advanced skill population. Trustees were challenged to watch over our assets and restore public trusts by focusing on fiduciary duties, shared governance while having dialog with the public on the value of a college education.

Trustee Jackson, Dr. Graham and I were in attendance at the State of St. Louis Workforce event on August 10th at our Forest Park Campus. The State of the Workforce report provides reliable data that directly addresses the needs of our business and industry partners. The theme of this year's report is "Driving the Economy...Shaping the Workforce."

This is the second year that employers who were surveyed indicated a shortage of skilled workers was their top concern. Many signed functional skills that are needed across all segments of employment such as customer service "soft skills," business management and IT.

I want to thank Mr. Steve Long and his staff for a great job on this annual event. The State of the Workforce Report is very well-received in the community.

Trustee Gee and I attended the Foundation Executive Board meeting on Tuesday. The Foundation Director will report at our meeting in September. Please keep in mind these dates:

September 19 – Golf Tournament/Fund Raiser and Dinner

February 4 – Falling in Love Gala at the 4 Seasons

September 28 – Wine and Cheese Reception.

The Board continues to attend the various opening week celebrations. It's a great time of year and we enjoy being on campus!

18.3 Citizens Desiring to Address the Board Regarding Other Concerns

None.

18.4 Board Member Comments

Dr. Graham said she enjoyed the State of the Workforce event and heard accolades about our faculty and staff. She reiterated that employers prefer employees with soft skills.

Dr. Graham then thanked the Chancellor and Board Chair for assisting her with a medical situation while she was attending the CBHE meeting.

Ms. Fitzgerald welcomed Mr. Novel back to the Board.

Mr. Novel said he is humbled by the honor and thanked the Board for appointing him and those who voted for him during the election for sub district 1.

Mr. Novel applauded Ms. Campbell on her Underwood lecture and talked about a chemistry student from the University of Missouri Columbia who has experienced academic rigor when taking a class at STLCC over the summer.

Mr. Novel then applauded the people who reached out to our students during registration and said people really do appreciate personal contact.

Finally, Mr. Novel congratulated Ms. Kedra Tolson on her advertising campaign for the college.

Ms. Jackson asked if intensive, 3-week courses in “soft skills” could be set up at the college. It was noted that many of these skills are taught in our Oral Communications classes.

19. NEW BUSINESS

None.

20. ADJOURNMENT

There being no other or further business to come before the Board, the meeting was adjourned at 8:37 p.m.

Respectfully submitted,

* A **repurchase agreement** is the sale of a security (such as a Treasury bill or Treasury bond) to the college by the college's bank, UMB, with an agreement to buy it back at a later date at a price greater than the original sale price. The difference in the purchase and sale price represents our income on the investment. For example, at the end of each day, the balance of funds in our bank account is used to purchase U.S. Securities from UMB with an agreement that the bank will buy them back the following morning for the amount paid plus interest. Our interest for July was approximately .20% per annum.
