13. COMMUNICATIONS

13.1 Chancellor's Report

Governor's State of the State Address

Yesterday I had the opportunity to watch the State of the State address given by Governor Mike Parson. Although the Governor's proposed budget flat lines higher education, there were several exciting ideas within this budget we hope will come to fruition via the 2019 legislative session.

Fast Track: This allows \$22 million to assist individuals prepare for new, high demand jobs more quickly. In many ways, it mirrors the TN "Reconnect" program as it targets adults over the age of 25 with a household income of less than \$80K and provides for 100% of free tuition for qualified students. The Fast Track program aligns perfectly with what we have been working on in the College the last several months with our planned expansion of career programs, including nursing and IT. Zora Mulligan, the Commissioner for Higher Education, believes that the program could put as many as 16,000 students into community and technical colleges.

Mo-Excel: This would provide \$16 million for those programs identified in the MoExcel list of priorities. Given STLCC is ranked number 2 on the list with our proposed expansion in health care and IT, if funded it would provide us with additional dollars for these projects.

Missouri One Start: \$10 million to reinvigorate the Missouri Works program to help new and expanding businesses by covering costs of training workers' skills

A+ State Aid: \$1.5 million increase

Regional Business Council Partnership

Recently I have been approached by Kathy Osborn, CEO of the Regional Business Council, to host a website portal that illustrates high wage jobs in the most prevalent industry sectors in St. Louis County. The portal will show pathways between careers and educational programs in the Region, and in particular will feature certificate and two year degree programs offered by various institutions (including STLCC!) in the area.

We are both honored and excited to participate in this important initiative by the RBC! The RBC will fund the majority of the website development, and the College will maintain the portal over time.

I will ask that RBC officials present an overview of the portal when enough development has occurred. Many thanks to Hart Nelson, Kedra Tolson, Keith Hacke and Richard Schumaker for their leadership to date with this project!

2019 Chancellor’s Leadership Academy

It is hard to believe that we will begin the fourth Chancellor’s Leadership Academy on February 8! Members of the upcoming class include:

Building upon the work of the Fall 2108 CLA, for group projects, we will ask academy members to build out work and process flows for the North Star Mentoring project to be piloted at the Flo Valley Campus. Given our recent pilots with mentoring programs have been so effective in student retention, we are becoming very excited about the prospect of beginning this new initiative.

There will be two separate teams for this purpose. One team will develop recommendations for prototyping North Star mentoring experiences. The other team will make recommendations for extending the “culture of care” concept beyond mentoring to include student interactions in all service and instructional settings, making those interactions transformational instead of just transactional.

I look forward to the upcoming class and am hopeful they have as positive of experience as the other CLA cohorts.

13.2 Board Chair's Report

Welcome back and Happy New Year!

On behalf of the Board, I want to take this opportunity to thank all College Faculty and Staff who are assisting with spring semester enrollment. I know the winter weather impacted the Enrollment Express this past weekend and enrollment services will continue this Saturday. The Board appreciates your collaboration and hard work.

An Emerging Scholars Banquet was held on the Meramec campus in early December, honoring students who have overcome academic challenges to complete college-level course work. On behalf of the Board, congratulations to all of these hard-working students. And thank you to Joan McGivney for representing the Board at this banquet.

The Board will hold a Retreat on January 24th at the Forest Park Campus. We will have an opportunity to see the progress on the new Center for Nursing and Health Science. We will focus the working session on the College's Recruitment and Enrollment strategies, practices and results.

The Foundation's 11th annual 'Falling in Love in Five Courses' gala will take place on Saturday, February 16th, at The Four Seasons. This exclusive culinary adventure is a collaboration and will be prepared by Celebrity Chefs, the Four Seasons' Chef and Chef Casey Shiller of our Forest Park Campus along with students from the College's highly acclaimed culinary arts program. Please contact the Foundation office for additional information. Proceeds from this event provide scholarships for deserving students who do not have the funds to attend college.
