14. Communications

14.1 Chancellor's Report

New Vice Chancellor of Student Affairs

Dr. Christine Davis has arrived in STL and officially began her duties on January 6. Dr. Davis has a wide range of experience in student affairs and is very excited to be here. I have already have met with Dr. Davis on a number of occasions and she is quickly understanding the lay of the land

and the many opportunities that exist for improved outreach efforts and student support.

Dr. Davis comes to us from Ft. Myers, Florida (Florida Southwestern State College) and we look forward to her leadership in the years to come!

2020 Legislative Priority – An Investment in Community College Students

As illustrated in the 2020 Legislative Priority document, all colleges within MCCA are proceeding with a core funding ask of \$30MM for this coming session. While the Governor's proposed budget does not include this amount, we believe that we very well may have success through the Legislative Branch.

With this approach, STLCC would not only be receiving additional funds, but also would be working in collaboration with other colleges to assist in addressing an equity gap that exists among colleges when you look at funding per student.

In the event we do not receive the full \$30 MM, we have decided upon a formula that would provide 75% of the funding to colleges below the median per student funding level and the remaining 25% to those colleges above the median line.

Locally, Ryan McKenna and I have met with almost all 39 of our delegates and have received agreement to support this ask with every Legislator we met with.

STLCC Day at the Capitol: At this time, it appears that Tuesday, March 11 will be our day at the Capitol. As we did last year, we will invite students to attend and participate. Ryan McKenna and I will plan the day's event to meet in both Chambers and with Executive Branch members.

Chamber Champions Awards Dinner

On Monday, January 6, Hart Nelson, Jo-Ann Digman, Ryan McKenna and I attended the 2020 Chamber Champions Event. In addition, Senator Brian Williams was at our table during the evening.

This is an annual awards ceremony that recognizes local elected officials and their accomplishments in both Missouri and Illinois. During the event, I had an opportunity to talk about the significance of workforce development and the role that the College plays in assisting area employers in filling jobs in high need areas. In addition, I also presented awards to

Mayor Lyda Krewson and Alderman President Lewis Reed during the event for their work in bringing Professional Soccer to St. Louis.

Ladue News

On January 10, the College and the Foundation were featured in the Ladue News, and several of us who participated in the interview were fortunate enough to make the cover of this edition! Included in the picture are Dawn Morris, a nursing student at Forest Park, Tracey O'Brian, President of the STLCC Foundation, and Tim and Robin Wentworth who will be the honorary chairs for this year's Falling in Love in Five Courses Gala. In addition, Robin serves on our Foundation Board.

Strategic Plan Metrics Update

As we are in the final year of Strategic Plan 2020, I am pleased to announce that faculty and staff are seeing good progress toward the metrics established for the plan. In regards to our performance funding, to date, we are "5 for 5" in meeting our performance metrics for the State, and only two other colleges in the state have also met five metrics.

Business Solutions and Custom Training Information

Provided on the table for your information is Workforce Solution's new brochure for customized training services that the College provides to the St. Louis area businesses.

14.2 Board Chair's Report

Dr. Martin shared that he, along with Dr. Pittman, met with Maxine Clark, founder of Build-A-Bear, and discussed opportunities for partnerships. He confirmed there are no plans to close the Florissant Valley campus. He announced the Board held their retreat earlier in the day and encouraged feedback on the proposed changes to the Mission, Vision, Values and Themes. He shared that following the Board meetings, an email will be sent to faculty, staff and students providing a recap of the meeting. Dr. Martin expressed his appreciation for Kate Nash and the leadership team's work on Board Policy.

14.3 Citizens Desiring to Address the Board Regarding Other Concerns

None.

14.4 Board Member Comments

Dr. Graham wished everyone a happy new year and encouraged attendance at the Martin Luther King Jr event at Florissant Valley.

Ms. Marshall encouraged people to submit feedback on the changes to the Mission, Vision, Values and Themes.

Ms. Ross thanked the nursing faculty and staff and congratulated them on the impressive pass rate.

15. New Business

On motion by Ms. Ross and seconded by Ms. Fitzgerald, the Board unanimously approved scheduling a closed session meeting on February 3, 2020.

16. Adjournment

The Board adjourned the public session at 7:18 p.m.

17. Workshop

Dr. Kevin M. Martin, Chair, called the meeting to order at 7:18 p.m. The following members of the Board of Trustees were present: Dr. Kevin M. Martin, Chair; Ms. Pam Ross, Vice Chair; Ms. Libby Fitzgerald, Trustee; Dr. Doris Graham, Trustee; Dr. Craig Larson, Trustee; Ms. Anne Marshall, Trustee; and Mr. Rodney Gee, Trustee.

Universal Scheduling

Dr. Carol Lupardus and Mr. Dennis White presented the Scheduling Committee Report and answered questions from the Board. Dr. Lupardus and Mr. White shared results from the student survey, and progress on centralized and dual enrollment scheduling.

Dr. Martin encouraged the committee to figure out what the students say are the barriers are to building their preferred schedule. Dr. Larson encouraged the committee to contact students that decided not to attend STLCC and find out why. Trustees stressed the importance of individuals being able to register from their phone and asked for an update on this process.

Navigate

Julie Massey provided an update on Navigate. Navigate is a software tool to enhance recruitment and increase retention. Dr. Martin inquired if there has been training provided to faculty and staff and Ms. Massey responded that there have been training sessions, videos and information tables set up on the campuses. The College is working to encourage more (all) students to use Navigate.

18. Adjournment

The workshop adjourned at 8:16 p.m.

Respectfully submitted,

19.1 Chancellor's Report Strategic Plan 2020 Metrics Update

UPDATE: As we are in the final year of Strategic Plan 2020, it is my pleasure to report that the College is doing very well with the metrics established back in 2015. To date, we are "5 for 5" in meeting our performance metrics for the State.

Preliminary Summary of Graduation and Transfer Metrics:

3 Year Graduation Rate: Our three year average increased to 15.9%. This is the highest rate since data was collected in its current form beginning in 2008, and constitutes a 50% increase since 2014. This exceeds our 2020 goal of 13%.

3 Year Transfer-Out Rate: Our three year average increased to 18.31%. This is the highest rate since data was collected in its current form beginning in 2011, and constitutes a 34% increase since 2014. This exceeds our 2020 goal of 16%.

3 Year Graduation & Transfer-Out Rate: Our three year average increased to 34.21%. This is the highest rate since data was collected in its current form beginning in 2011, and constitutes a 41% increase since 2014. This exceeds our 2020 goal of 28%.

\$5.5M	

Legislative Visits

Ryan McKenna and I are nearing the end of meeting with our 39 Legislators from our service area. I am pleased to say that to date, every Legislator has been incredibly supportive of our request for Core Funding.

While we do not expect our request to be in the Governor's budget recommendation, we do anticipate serious consideration of our request given that State revenue continues to do well.

During our meetings, we have provided information about the College and our key initiatives, discussed concerns about potential bills, such as guns on campus or Title IX, and have provided a tour of the new Center for Nursing and Health Sciences to the majority of Legislators who we have met with.

With only a couple of meetings to go, we will have met with all available Legislators prior to the session beginning.

Strategic Plan Update

The 2021-2023 Strategic Plan draft was developed using input from student interviews and focus groups, faculty/staff forums, The LT Retreat on 6/25, and the Strategic Planning Council. Multiyear strategic projects from the 2017-2020 plan were continued in the 2023 plan, and some new goals were added. As part of this process, STLCC's Core Values were revised to highlight diversity and inclusion more prominently in all endeavors. Strategic Initiative 5 was rewritten to clarify language supporting a continuous improvement environment that supports STLCC's Core Values.

As was done with the HLC Assurance Argument draft, the 2023 plan is currently available on the website until January 31, 2020, for comments and suggestions from students, employees, board members, Foundation board members, alumni, employer partners, and community members. Input received is forwarded to the appropriate Initiative Champion for consideration. Between February 1 and Spring Break, Chancellor's Forums will be held at the campuses and learning centers, with a focus on the strategic plan. The 2023 plan will be updated with feedback from these forums and placed on the website April 1-30, 2020, for a final round of comments and suggestions. Final edits to the 2023 plan will be completed by May 31, 2020, and it will go live July 1, 2020.

19.2 Board Chair's Report

Dr. Martin announced the next Board Matters video will be published in December. He noted that all organization needs change and thanked Dr. Pittman for his support of these efforts. He encouraged the administration to continue to work with all bargaining units. Dr. Martin wished faculty, staff, students and trustees a happy thanksgiving.

The Board will hold a workshop in January for the Strategic Plan 2023.

19.3 Citizens Desiring to Address the Board Regarding Other Concerns

Emily Neal shared recommendations with the Trustees.

Subject Bid Award – S4 6877 – Replacement of Exhaust Fan and Hood in D-410 at Forest Park – Hauser Mechanical
Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the contract.

Initiator: Ken Kempf

Background:

The existing fume hood and exhaust fan in the biology prep room, D-410 are not functioning and in need of replacement for use in the Spring 2020 curriculum. The contract will replace the fume hood, exhaust fan and related ductwork, as well as correct deficiencies in the room's mechanical system.

College Board Policy I.5 – Emergency Repairs allows the issuance of a contract if the facilities are immediately needed to carry out the educational program. This policy further requires Board ratification of Emergency Repair Contracts.

The work was bid as an emergency repair to have the project completed in time for Spring classes. Therefore, Board ratification is requested for the award of an Emergency Repair Contract to **Hauser Mechanical** in the amount of **\$99,480.00**

System at Forest Park – Honeywell Building Solutions

Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the contract.

Initiator: Paul Zinck

Background:

The existing fire alarm system is proprietary to Honeywell Building Solutions. The existing fire alarm wiring is routed through B Tower to serve other areas of the campus. The contractor will perform all device installation and programming necessary to re-route the system to continue to function as A and B Tower are demolished. All wiring and other non-proprietary work will be performed by the College's Facilities department.

College Board Policy I.5 – Emergency Repairs allows the issuance of a contract to continue operation of a facility. This policy further requires Board ratification of Emergency Repair Contracts.

Honeywell Building Solutions is the sole provider of support service for the campus fire alarm system. Therefore, Board ratification is requested for the award of an Emergency Repair Contract to **Honeywell Building Solutions** in the amount of **\$55,432.58**

Subject Change Order – F 18 406A, Center for Nursing & Health Sciences – Structural Steel at Forest Park – Kupferer Brothers Iron Works

Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution approving the issuance of the change order

Initiator: Ken Kempf

Background:

Contracts for the new perforated tube façade and signage to replace the external video board were approved by the Board of Trustees at its July 30, 2019 meeting, with the understanding that value engineering would be used to reduce the overall cost of the installation. As such, the structural steel support for the College sign was to be determined after the final design of the façade. Takeform, the recommended bidder for the sign fabrication, included the structural design in their base bid, and installation of the recommended structure was priced by the Center’s structural steel contractor.

Contract F 18 406A, Structural Steel was approved by the Board of Trustees at its March 22, 2018 meeting to Kupferer Brothers Iron Works. As this work falls within this contractor’s contract scope, they were contacted to provide pricing. The final change order costs were reviewed and recommended by Tarlton, the College’s Construction Manager on the project, and the College’s Engineering and Design department. Therefore, Board approval is requested for the award of a change order for the work to **Kupferer Brothers** in the amount of **\$21,873.00**.

Subject Change Order – F 20 401A, Pre-Demolition Abatement of A and B Towers at Forest Park – Advanced Environmental Services, Inc.

Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the change order

Initiator: Paul Zinck

Background:

The pre-demolition survey identified asbestos containing acoustic spray material above the four (total) lecture halls in A and B Towers. The base scope of work included the abatement of these materials. During the performance of this contracted work, it was discovered that the material extended above the masonry wall and into the external plaza area. To complete demolition this material will all have to be removed, by creating a larger containment, and removing masonry under regulated conditions, all in excess of the contracted scope of work.

Abatement of this material in the A Tower Lecture Halls was approved on a time and materials, not to exceed basis, in order to keep the project on schedule. With the completion of that abatement, it has been determined that the B Tower Lecture Halls can be performed within a similar cost structure. Final charges will be approved and verified by NPN, the College's third party abatement consultant and the Engineering and Design department.

Contract F 20 401A, Pre-Demolition Abatement of A and B Towers, was approved by the Board of Trustees at its July 30, 2019 meeting to Advanced Environmental Services, Inc. As this work falls within this contractor's contract scope, they were contacted to provide pricing. The not to exceed amount was reviewed and recommended by NPN, the College's third party abatement consultant on the project, and the College's Engineering and Design department. Therefore, Board approval is requested for the award of a change order for the work to **Advanced Environmental Services, Inc.** in the not to exceed amount of **\$225,000.00**

Background:

Compressed air is required in some of the science labs that were relocated from A and B Towers this past summer. The contractor will install, plumb, and wire the new compressor according to the consultant's design.

The Board pre-approved this project at its November 21, 2019 meeting, but in the estimated amount of \$35,000.00. Further design and a relocation of the compressor to avoid additional mechanical and structural work resulted in a revised cost estimate of \$65,000. Board approval is requested to proceed with an air compressor installation project, with the understanding that the final bid award will be approved by the Vice Chancellor for Finance and Administration before the next regularly scheduled board meeting to allow the installation to proceed before the start of the Spring semester. Therefore, it is requested that the Board delegate authority to the Vice Chancellor for Finance and Administration to approve the final award of the contract and present final details to the Board at its next regularly scheduled meeting. It is estimated that the contract award will be in the estimated amount of **\$65,000.00**.

Plans and specifications were created by the Engineering and Design department.

Subject Amendment Approval – A17-0299 Amendment #2 – Consulting Services for Stair Tower Redesign at Forest Park – KAI Design Build

Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution approving the issuance of the amendment to the consulting agreement.

Initiator: Paul Zinck

Background:

Plans and Specifications for construction of the stair tower/end cap after demolition of the A and B Tower sections of the East Wing were prepared by the KAI Design Build Team. The packages were delineated and bid by the College's Construction Manager, Tarlton Corporation. The total project cost was over budget, and KAI was asked to redesign the project to allow the College to reduce the overall project budget through bid negotiation and value engineering with the recommended bidders.

College Board Policy I.8 – Selection of Architectural and Engineering (A/E) Services for Physical Facilities Projects requires that architectural and engineering consultants be selected on the basis of demonstrated competence and qualifications for the type of professional services required, and at fair and reasonable prices. This policy further requires Board approval of consulting agreements over \$50,000.

KAI is the architect of record for the Center for Nursing and Health Sciences. The recommended amount of the amendment was negotiated with KAI Design Build, based on the network of tasks required to perform the re-design, reduced by hourly fees that will not be expended from their original agreement. Therefore, Board approval is requested for the award of an amendment to **KAI Design Build** in the negotiated amount of **\$257,100.00**

Subject Consulting Agreement ratification – A19-0318 PRO #03 – Environmental Services for SW108 Floor Tile Abatement at Meramec – Professional Environmental

Type Consent Agenda

Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the amendment to the consulting agreement.

Initiator: Ken Kempf

Background:

The MO-EXCELS program is providing funding for the expansion of the nursing program at Meramec and Florissant Valley, and the creation of a nursing program at the Wildwood campus.

Asbestos abatement was needed in the space to be renovated at Meramec for the nursing simulator lab. Professional Environmental provided project oversight, air monitoring, and final clearances for the project.

College Board Policy I.8 – Selection of Architectural and Engineering (A/E) Services for Physical Facilities Projects requires that architectural and engineering consultants be selected on the basis of demonstrated competence and qualifications for the type of professional services required, and at fair and reasonable prices. This policy further requires Board ratification of consulting agreements less than \$50,000.

Professional Environmental was chosen from the College’s open end consultant list due to their experience, availability, and past performance. Therefore, Board ratification is requested for the award of an agreement for the study to **Professional Environmental** in the amount of **\$3,555.00**

Category	16.5 Finance
Subject	Request for Proposal B0003870 – Continuing Education Catalog Distribution Services
Type	Consent Agenda
Recommended Action	The Board of Trustees adopt the resolution approving the purchase

Initiator: Lysa Young-Bates

Background:

This contract will primarily be used by the Continuing Education Department to deliver and replenish catalogs at approximately 1,000 outlets.

Request for Proposal - B0003870 was issued on September 26, 2019, to establish a new contract for catalog distribution services; five (5) vendors were contacted to provide proposals. However, no other vendor was able to offer the unique services requested. Therefore, Board of Trustee approval is requested for the award of contract B0003870 for catalog distribution services to Papers Unlimited, in an amount estimated at \$10,000.00 for a period of one (1) year, with an option to renew for three (3) additional years to begin December 16, 2019.

Subject	Contract Extension Change Order – Q043003– Dell Marketing, LLC
Type	Consent Agenda
Recommended Action	The Board of Trustees adopt the resolution approving the continued use of the cooperative contract

Initiator: Keith Hacke

Background:

This National Association of State Procurement Officials (NASPO) Contract is used to purchase complete microcomputer systems, components and related items and was initially approved by the Board of Trustees on January 17, 2019 for a period of one (1) year.

The contract will expire on March 31, 2020; and a new contract has not yet been awarded by NASPO; therefore, Board of Trustee approval is requested to continue use of this contract for three (3) months with no increase to the award amount.

Responses:

This contract was competitively bid by the National Association of State Procurement Officials and thereafter awarded on a cooperative basis.

Subject	Additional Funding Change Order– APPLE20 – Microcomputer Equipment
Type	Consent Agenda
Recommended Action	The Board of Trustees adopt the resolution approving additional funding

Initiator: Michael Hudspeth

Background:

This single source contract with Apple, Inc. is used Districtwide for the purchase of microcomputer equipment, printers, and related equipment. Apple equipment is one of the college's standards for computer equipment. Information Technology (IT) has developed standards for the college's desktop and laptop computers to maintain consistency which allows them to better support the college's technology requirements. This contract was approved for use by the Board of Trustees on June 19, 2019 for a period of one (1) year, for an estimated amount of \$200,000.00

The current contract balance is \$80,047.00; however, IT anticipates expenditures of \$350,000.00. Therefore, Board of Trustee approval is requested for an increase to the contract amount estimated at \$400,000.00.

Responses:

This is a single-source contract.

Subject	B0003922 - Sole Source Purchase Ellucian Customer Relations Management and Analytics Platforms
Type	Consent Agenda
Recommended Action	The Board of Trustees adopt the resolution approving the sole source purchase.

Initiator: Keith Hacke

Background:

The purchase of the Customer Relations Management and Analytics Platforms will create a modern mobile friendly student application, streamline admissions operations, automate marketing campaigns and allow for personalization of the student portals. Additionally, these solutions will provide a single source of reliable data for decision making, performance reporting and business intelligence.

Ellucian is the provider of the college's enterprise resource system and is the sole developer of Banner and its related modules, precluding the competitive bid process. Therefore, Board of Trustee approval is requested for the purchase of the Customer Relations Management and Analytics Modules from Ellucian, in an amount estimated at \$68,000.00 with annual maintenance of \$60,000.00 for three (3) years, with an increase to \$63,000.00 in year four (4) and \$66,000.00 in year five (5).

Agenda Item Details

Meeting December, 2019 – Chancellor approved items
Category 16.5 Finance
Subject Bid Award – S4 6881 – Pre-Demolition Time and Materials Control Work
Type Chancellor approved items
Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the contract.

Initiator: Dennis Dill

Background:

The existing building automation system is proprietary to Integrated Facilities Solutions. The existing control wiring is routed through A and B Towers to serve other areas of the campus. The contractor made the necessary changes to allow the system to continue to function as A and B Tower are demolished. The contractor performed the work on a time and material basis. Final charges were approved and verified by the College's Facilities and Engineering and Design department.

College Board Policy I.5 – Emergency Repairs allows the issuance of a contract on a time and materials, not to exceed basis to continue operation of a facility. This policy further requires Board ratification of Emergency Repair Contracts.

Integrated Facilities Solutions is the sole provider of support service for the building automation system. Therefore, Board ratification is requested for the award of an Emergency Repair Contract to **Integrated Facilities Solutions** in the amount of **\$27,585.54**

Meeting	December, 2019 – Chancellor approved items
Category	16.5 Finance
Subject	Bid Awards – F20 401 – Pre-Demolition Work
Type	Chancellor approved items
Recommended Action	The Board of Trustees adopt the resolution approving the bid awards.

Initiator: Paul Zinck

Background:

Plans and Specifications for construction of the stair tower/end cap after demolition of the A and B Tower sections of the East Wing were prepared by the KAI Design Build Team. The packages were delineated and bid by the College's Construction Manager, Tarlton Corporation. Bid award recommendations for the construction of the Stair Tower will be made at a future Board of Trustees meeting, after bid negotiation and value engineering with the recommended bidders to reduce the overall project budget.

Contractors were evaluated on bid price as well as overall capabilities, MBE/WBE participation, experience in construction of specialty lab space, experience with LEED (Leadership in Energy and Environmental Design) projects, available resources to meet the project's schedule, and approach to safety, quality, and cost control. The recommendation will represent the contractor with the best bid, given these factors.

There were five contractors whose scope of work included cutting, capping, or construction work required to continue systems and provide safe removal for the demolition contractor. The recommended bidders provided a breakout number for this work only. Therefore, Board approval is requested for the award of five (5) contracts for pre-demolition work, in the amounts listed.

Meeting	December, 2019 – Chancellor approved items
Category	16.5 Finance
Subject	Change Order – F 18 406N, Center for Nursing & Health Sciences – Carpentry and General Trades at Forest Park – TW Constructors
Type	Chancellor approved items
Recommended Action	The Board of Trustees adopt the resolution ratifying the issuance of the change order

Initiator: Bill Hubble

Background:

As they are located on the north side of the building, the classrooms and offices were designed without shades. The dean requested shades for these areas to provide privacy and facilitate instruction. The installed shades will match the west side spaces on the other floors, except where full blackout shades for medical imaging displays are required.

At its May 17, 2018 Board of Trustees meeting, The Board authorized the Chancellor to approve time sensitive change orders over \$15,000 for the Center for Nursing and Health Sciences construction, with subsequent ratification by the Board. The final change order cost was approved by the Chancellor, according to this policy, to ensure that the shades were installed before the Spring semester began.

Contract F 18 406N, Carpentry and General Trades was approved by the Board of Trustees at its April 26, 2018 meeting to TW Constructors. As this work falls within this contractor's contract scope, they were contacted to provide pricing. The final change order costs were reviewed and recommended by Tarlton, the College's Construction Manager on the project, and the College's Engineering and Design department. Therefore, Board approval is requested for the award of a change order for the work to **TW Constructors** in the amount of **\$30,300.00**.

Subject Change Order – F 20 401A, Pre-Demolition Abatement of A and B Towers at Forest Park – Advanced Environmental Services, Inc.

Type Chancellor approved items

Recommended Action The Board of Trustees adopt the resolution ratifying the issuance of the change order

Initiator: Ken Kempf

Background:

The pre-demolition survey estimated the amounts of certain types of asbestos containing materials, as these materials could not be accessed without demolition of existing finishes. Abatement of duct seam sealant in excess of the estimated quantities was approved on a time and material basis, in order to keep the project on schedule. Final charges were approved and verified by NPN, the College's third party abatement consultant and the Engineering and Design department.

Contract F 20 401A, Pre-Demolition Abatement of A and B Towers, was approved by the Board of Trustees at its July 30, 2019 meeting to Advanced Environmental Services, Inc. As this work falls within this contractor's contract scope, they were contacted to provide pricing. The final change order costs were reviewed and recommended by NPN, the College's third party abatement consultant on the project, and the College's Engineering and Design department. Therefore, Board approval is requested for the award of a change order for the work to **Advanced Environmental Services, Inc.** in the amount of **\$39,843.75**
