IMPACT REPORT

About STLCC Foundation

The STLCC Foundation was established to build awareness of STLCC and raise funds to help meet ongoing financial needs of students and the College.

Private donor support is needed to help keep tuition and fees affordable for students needing financial assistance. The Foundation receives hundreds of gifts each year from alumni, staff, corporations, foundations, and friends of the College. Support for the College comes through special campaigns, corporate and foundation grants, deferred gifts, corporate matching gifts and other annual fund and major gift activities.

I've been a student at STLCC-Meramec for many years and find it to be a wonderful place to learn. In honor of this experience, I initiated the annual Peterson Photography Lecture Series in 2012 in hopes of elevating the artistic and academic discourse at this institution by funding talks and workshops conducted by invited renowned regional photographers to engage with college and local audiences.

I appreciate the assistance in starting a new path. Thank you for believing in me. With so many changes and so much uncertainty, it is so nice to see the kindness in the world shine through. Thank you for being this encouraging source of positivity. People like you make it easier to believe in the good that is yet to come.

Spring 2023 Scholarship Recipient

Growing up in a household where I will be the first in my family to attend college, getting a good college education and being able to graduate has always been a dream of mine. This financial support is incredibly helpful and will allow me to attend St. Louis Community College and to be able to graduate with an associate degree in Business Administration.

ANNUAL SPECIAL EVENTS

Throughout the year the STLCC Foundation hosts engaging events, including major fundraisers and on-campus activities. In February, the STLCC Foundation partners with the STLCC Culinary Department to offer a premier dining experience during the **Falling in Love in Five Courses Gala**, hosted at the Four Seasons Hotel St. Louis. Each September, over 200 golfers participate in the annual **Tee for Tuition Golf Tournament**. Also in the fall, the STLCC-Meramec campus hosts alumni, students and friends for the **Peterson Photography Lecture Series**. Through these events, the STLCC Foundation is creating awareness of the College and enhancing the sustainability and success of STLCC programs and scholarship funds.

I am beyond excited about starting my new journey into the field of accounting! This scholarship will provide me with the opportunity to gain employment that will allow me to take care of my family and stop living paycheck to paycheck.
