KUTO—Kids Under Twenty One

Kids Under Twenty One

2718 South Brentwood Boulevard
St. Louis, MO 63144

KUTO youth-focused programs are designed to help young people handle the stressors & pressure of life by helping them identify & find positive solutions to problems & to survive the emotional challenges they face. SurvivAbility is a one-of-a-kind peer-based program, designed by young people for young people struggling as survivors of an attempted or completed suicide.
