**Website:** www.bpusastl.org/nContactUs.htm

KUTO—Kids Under Twenty One

**Phone:** (314) 963-7571 – (office)

**Helpline:** (888) 644-5886 – toll-free

**Website:** www.kuto.org

KUTO youth-focused programs are designed to help young people handle the stressors & pressure of life by helping them identify & find positive solutions to problems & to survive the emotional challenges they face. SurvivAbility is a one-of-a-kind peer-based program, designed by young people for young people struggling as survivors of an attempted or completed suicide.

PALS (Parents Affected by Loss of Child by Suicide)

**Phone:** (314) 853-7925

**Website:** https://afsp.org/support_group/pals-parents-affected-by-the-loss-of-a-child-to-suicide/

St. Luke’s Hospital
232 Woods Mill Road
Chesterfield, MO 63017

This group addresses grief associated with a child’s suicide, regardless of child’s age or length of time that has passed. Family members other than parents are also welcome.
